Youth Advisory Commission**
Monday, January 13, 2020

Absent Commissioners: Commissioner Giles, Commissioner Kuhlken, Commissioner Sharp

Community Members Present: Jennifer Jimenez, RLA Ambassador

Current Business:

- The Commission discussed the day that the time capsule will be opened, August 18th, and how current Commissioners will attend and participate in opening the 2020 time capsule.
- Commissioner Garrett motioned to approve the minutes, Commissioner Amado seconded the motion. 12 Commissioners voted in favor, 3 Commissioners abstained.
- We debated about what we should do as our teen event with the environmental and sustainability focus. We thought about possibly planting trees or flowers, but that may not be viable considering that the event may be in the evening.
- Jennifer shared that there are multiple questions and reasoning going into what areas in cities and La Mesa specifically get zoned, for example, would it be safe for children to live and play in this area or is the area more suitable for restaurants because it's close to the freeway so goods and ingredients can be transported easier?
