Current Business:

1. Commissioners new and old introduced themselves with where they were born, what grade they are in, what school they go to and what their favorite TV show is. All the commissioners had a good time getting to know each other.
2. Commissioners discussed how 'Ballin' on a Budget' went and what we could do to improve for next year. Next year the commission will focus more on planning the event earlier and planning it around the sports schedules of students.
3. The Commission explained their plans for the Flag Day parade in La Mesa on June 2. Commissioners will be meeting in the Little League baseball field.

4. Commissioners decided not to have another Power Hour at a La Mesa Spring Valley Elementary School due to too many conflicts with the commissioners' schedules.
