SUBJECT: Appointment of Applicants to Fill Two Vacancies on the Mobility Commission

On November 24, 2020 the Council adopted Ordinance No. 2020-2883 increasing the Mobility Commission ("Commission") membership from 5 to 7 voting members. Staff recruited for the two vacancies in the same manner as the City's Board and Commission recruitment process. Staff published a recruitment flyer and application on the City website and social media outlets and posted the flyer at City Hall.

The two newly created seats are as follows:

- (1) One member shall preferably have significant experience with climate or environmental issues; and
- (2) One member shall preferably have experience as a vulnerable road user, who frequently walk, ride a bicycle, or use another vulnerable non-car mode of transportation.

Pursuant to La Mesa Municipal Code ("LMMC") Section 12.08.080, "Member's terms shall be maintained so that not more than four terms expire in any given year and appointments may be made for less than a four-year term in order to accomplish that purpose." To comply with LMMC Section 12.08.080, the term of the appointee with experience with climate or environmental issues shall expire on June 30, 2022, and the term of the appointee with experience as a vulnerable road user shall expire on June 30, 2023.

Interviews were conducted at the February 9th City Council meeting. The Mayor will make the appointments with the approval of the City Council at the February 23rd City Council meeting

Attached is a table outlining the categories each applicant is eligible to fill.

Staff recommends the Mayor with the approval of the City Council, make the appointments to fill the two vacancies on the Mobility Commission and that the City Council adopt the attached resolution confirming the appointments.
