

REPORT to the MAYOR and MEMBERS of the CITY COUNCIL
From the CITY MANAGER

DATE: June 22, 2021

SUBJECT: Approval of a Resolution Adopting the Proposed List of Projects to be funded from the Road Maintenance and Rehabilitation Account Local Streets and Roads Funding Program for Fiscal Year 2021-22

ISSUING DEPT: Public Works

SUMMARY:

Issue:

Should the City of La Mesa approve a resolution adopting the proposed list of projects to be funded from the Road Maintenance and Rehabilitation Account Local Streets and Roads Funding Program for Fiscal Year 2021-22?

Recommendation:

Staff recommends that the City approve the resolution adopting the proposed list of projects to be funded from the Road Maintenance and Rehabilitation Account Local Streets and Roads Funding Program for Fiscal Year 2021-22.

Fiscal Impact:

Adoption of resolution enables future use of Road Maintenance and Rehabilitation Account funds.

City's Strategic Goals:

- Effective and efficient traffic circulation and transportation
- Revitalize neighborhoods and corridors

BACKGROUND:

On April 28, 2017, the Governor signed Senate Bill (SB) 1 to address basic road maintenance, rehabilitation, and critical safety needs on both the state highway and local streets and road system. SB 1 increases per gallon fuel excise taxes; increases diesel fuel sales taxes and vehicle registration fees; and provides for inflationary adjustments to tax rates in future years.

SB 1 emphasizes the importance of accountability and transparency in the delivery of California's transportation programs. Therefore, to be eligible for Road Maintenance Rehabilitation Account (RMRA) funding, Streets and Highways Code Section 2034 requires cities and counties to annually provide basic project reporting to the California Transportation Commission (CTC) for projects anticipated for and funded through the RMRA.

The projected Fiscal Year (FY) 2021-22 revenue to be apportioned to the City of La Mesa from RMRA is estimated to be \$1,151,964. The intent of the program is to fund local streets and roadway improvement projects.

In order to receive RMRA funds, the City is required to meet an identified Maintenance of Effort (MOE) metric by spending at least the annual average of its general fund expenditures during prior fiscal years on street improvement related expenses. The City's current annual MOE expenditure requirement for RMRA is \$3,002,275. A report that documents the MOE and SB 1 expenditures is required annually for compliance (see discussion below) and in order for money to be apportioned to the agency.

The objective of the Local Streets and Roads Program is to address deferred maintenance on the local streets and roads system through the prioritization and delivery of basic road maintenance and rehabilitation projects as well as critical safety projects.

DISCUSSION:

Streets and Highways Code Section 2034(a)(1) requires that prior to receiving an apportionment of RMRA funds in a fiscal year, an eligible city must submit to the CTC a list of projects proposed to be funded pursuant to an adopted resolution by the City Council at a regular public meeting.

The adopted list of projects proposed should include any new projects to be funded with the upcoming fiscal year's apportionment and any projects previously listed that will continue to receive funding in the fiscal year for which eligibility is sought (i.e. multi-year funded projects). The list of projects must include a description and location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement.

For FY 2021-22 projects, project lists and adopted resolutions are due to the CTC by July 1, 2021. Based on a review of the Pavement Management Program, public input and site visits, staff has created a prioritization for street improvements.

Shown below is the recommended list for submittal:

FY 2021-22 Planned Project List:

| Project Location | From | To | Description | Useful Life |
|----------------------------|----------------------|-----------------|---------------------------------------|--------------------|
| 68 th Street | Alamo Way | Cul-de-sac | Full Depth Reclamation and/or Overlay | 20 Yrs |
| 70th Street (North Bound) | Alvarado Road | I-8 | Overlay | 20 Yrs |
| Amarillo Avenue | Abilene Terrace | Clay Street | Full Depth Reclamation and/or Overlay | 20 Yrs |
| Jackson Drive | Murray Dr. | Grossmont Blvd. | Overlay | 20 Yrs |
| Rosefield Drive | 68 th St. | Cul-del-sac | Full Depth Reclamation and/or Overlay | 20 Yrs |
| University Ave. | Spring St. | Memorial Dr. | Overlay | 20 Yrs |
| Vigo Drive | 68 th St. | West City Limit | Full Depth Reclamation and/or Overlay | 20 Yrs |
| Waite Drive | Massachusetts Ave. | West City Limit | Overlay | 20 Yrs |
| Zone 6 Residential Streets | Varies | Varies | Digouts | 20 Yrs |

For the current fiscal year (FY 2020-21) staff is finalizing three projects that are using RMRA funding. The first is the University Avenue Corridor – Bike Network and Pedestrian Improvements Project which is consistent with the City’s Vision Zero Policy. The project was awarded on February 25, 2020 and is estimated to be completed by end of summer. This project includes both segments of University Avenue shown below. The second project is the preparation work (digouts) needed for the Zone 5 Residential Streets. The digouts have been completed and staff has awarded a contract for the Zone 5 Slurry Seal Project. Lastly, the FY 20 Citywide Street Rehabilitation Project is over halfway complete with Jackson Drive, La Mesa Blvd. and Derk Drive having been completed. The two remaining segments of Fletcher Parkway and Spring Street are pending permits from Caltrans and should be completed by the summer.

FY 2020-21 Projects Completed or In Progress:

| Project Location | From | To | Description | Status |
|-------------------------|------------------|---------------|--------------------|---------------|
| Derk Drive | Kelton Ave. | Kappa St. | FDR/Overlay | Completed |
| Fletcher Parkway | I-8 On/Off Ramps | Baltimore Dr. | Overlay | In Progress |
| Jackson Drive | Fletcher Parkway | Center Dr. | Overlay | Completed |

| Project Location | From | To | Description | Status |
|----------------------------|--------------|------------------|----------------|-------------|
| La Mesa Blvd | Memorial Dr. | Jackson Dr. | Overlay | Completed |
| Spring Street | Lemon Ave. | I-8 East On Ramp | Overlay | In Progress |
| University Avenue | 69th Street | Harbinson Avenue | Overlay | Completed |
| University Avenue | La Mesa Blvd | Baltimore Drive | Overlay | Completed |
| Zone 5 Residential Streets | Varies | Varies | Digouts/Slurry | In Progress |

For each fiscal year in which RMRA funds are received and expended, the City is required to submit a project expenditure report to the CTC detailing how RMRA funds were spent. The report includes a description and location of each completed project, the amount of funds expended on the project, the actual completion date, and the estimated useful life of the improvement. Project expenditure reports are due annually on December 1st. Staff submitted the report for FY 2019-20 by the due date and plans to submit the report for FY 2020-21 as required.

CONCLUSION:

Staff recommends that the City Council approve the attached resolution adopting the proposed list of projects to be funded from the RMRA Local Streets and Roads Funding Program for Fiscal Year 2021-22.

Attachment: A. Resolution

RESOLUTION NO. 2021-

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF LA MESA
ADOPTING A LIST OF PROJECTS FOR FISCAL YEAR 2021-2022 FUNDED
BY SB 1: THE ROAD REPAIR AND ACCOUNTABILITY ACT OF 2017

WHEREAS, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and Signed into law by the Governor in April 2017 to address the significant multi-modal transportation funding shortfalls statewide;

WHEREAS, SB 1 includes accountability and transparency provisions that will ensure the residents of the City of La Mesa are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year;

WHEREAS, the City must adopt by resolution a list of projects proposed to receive fiscal year funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement;

WHEREAS, the City, will receive an estimated \$1,151,964 in RMRA funding in Fiscal Year 2021-22 from SB 1;

WHEREAS, this is the fifth year in which the City is receiving SB 1 funding and will enable the City to continue essential road maintenance and rehabilitation projects, safety improvements, repairing and replacing aging bridges, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1;

WHEREAS, the City of La Mesa used a Pavement Management System along with a current field condition assessment to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the communities priorities for transportation investment;

WHEREAS, the funding from SB 1 will help the City maintain and rehabilitate major or arterial roads, install street preservation materials on local and collector streets, add active transportation infrastructure elements to the maximum extent practical, all of which throughout the City this fiscal year and 20 or more similar projects into the future;

WHEREAS, the 2018 California Statewide Local Streets and Roads Needs Assessment found that the City of La Mesa streets and roads are in an "at lower risk" condition and this revenue will help us increase the overall quality of our road system and over the next decade will bring our streets and roads into the "good" condition category; and

WHEREAS, the SB 1 project list and overall investment in our local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials and practices, will have significant positive co-benefits statewide.

NOW, THEREFORE, BE IT AND IT IS HEREBY RESOLVED, by the City Council of the City of La Mesa, California, as follows:

1. The foregoing recitals are true and correct.
2. The following list of newly proposed projects will be funded in-part or solely with Fiscal Year 2021-22 Road Maintenance and Rehabilitation Account revenues:

Project Title: FY 21-22 Citywide Pavement Rehabilitation
 Project Description: Citywide Pavement Rehabilitation of Arterials, Collectors and Residential Streets funded by SB 1
 Project Location: See List Below
 Estimated Project Schedule: Start (07/21) – Completion (06/22)
 Estimated Project Useful Life: See List Below

| Project Location | Description | Useful Life |
|----------------------------|---------------------------------------|--------------------|
| 68 th Street | Full Depth Reclamation and/or Overlay | 20 Yrs |
| Jackson Drive | Overlay | 20 Yrs |
| Rosefield Drive | Full Depth Reclamation and/or Overlay | 20 Yrs |
| University Avenue | Overlay | 20 Yrs |
| Vigo Drive | Full Depth Reclamation and/or Overlay | 20 Yrs |
| Zone 6 Residential Streets | Digouts | 20 Yrs |

3. The following previously proposed and adopted projects may also utilize Fiscal Year 2021-22 Road Maintenance and Rehabilitation Account revenues in their delivery. With the relisting of these projects in the adopted fiscal year resolution, the City/County is reaffirming to the public and the State our intent to fund these projects with Road Maintenance and Rehabilitation Account revenues:

Project Title: FY 20-21 Citywide Pavement Rehabilitation
 Project Description: Citywide Pavement Rehabilitation of Arterials, Collectors and Residential Streets funded by SB 1
 Project Location: See List Below
 Estimated Project Schedule: Start (07/21) – Completion (06/22)
 Estimated Project Useful Life: See List Below

| Project Location | Description | Useful Life |
|-------------------------|---------------------------------------|--------------------|
| 70th Street | Overlay | 20 Yrs |
| Amarillo Avenue | Full Depth Reclamation and/or Overlay | 20 Yrs |
| Waite Drive | Overlay | 20 Yrs |

PASSED AND ADOPTED at a Regular meeting of the City Council of the City of La Mesa, California, held the 22nd day of June 2021, by the following vote, to wit:
