

Merle and Martha Frost House

8459 Lemon Avenue

This recently restored 1921 Craftsman bungalow is located on the east side of Lemon Avenue between Grant Avenue and Crowder Lane. The owners have returned the home to its original appearance by removing vinyl siding, repairing the original split cedar siding, and restoring the front porch. The resource is significant for its association with Merle and Martha Frost, active and influential members of the community.

As Pastor of Lemon Grove Congregational Church, Mr. Frost actively participated in YMCA ministry work, specifically reaching out to Army recruits during World War I. He later became Principal of the La Mesa-Spring Valley Grammar School.
