The Hillard Heintze team that is conducting an after-action review of the civil unrest that occurred on May 30, 2020, invites you to a learning session. The team wants to hear feedback and recommendations from La Mesa residents to better inform their report.

This after-action review is an assessment of the La Mesa Police Department's overall planning efforts and operational responses, with a goal to provide recommendations for handling protest activities in the future. Your feedback will help the Hillard Team draft its recommendations to City Council.

The City of La Mesa has requested that Hillard Heintze reach out to the community but is not directly involved in this learning session. City Council members and staff will not be participating in this session. Residents who wish to share their thoughts are welcome.
